There are three mandatory officer roles, the Chairman, Deputy Chairman Campaigning and the Deputy Chairman Finance and Membership.

Specific role descriptions are available for these roles. Please contact our office for a copy [office@chorleyconservatives.com](mailto:office@chorleyconservatives.com)

This year we are having **three additional officers**, the **chair of the Women's Committee** who is chosen by their members, an **officer representing our young members 25 and under**, and a **Conservative Policy Forum co-ordinator** to run our political topic discussions along with our neighbouring Associations.

### **Young Conservative officer**

We see the **officer for young people** as looking to develop a Young Conservative branch for the constituency and working alongside with Lancashire area Young Conservatives.

Once established we expect that this role will in future years be elected by the members of a Chorley Young Conservative Branch.

### **Conservative Policy Forum co-ordinator**

We currently hold Conservative Policy Forum meetings with our colleagues in neighbouring South Ribble. The forum gives the opportunity for members to discuss policy topics every two months which are fed back to government ministers. They then provide feedback to local groups around the country.

The role of **Conservative Policy Forum co-ordinator** will be to develop with the Deputy Chairman Campaigning the discussion group over time and arranging a programme of meetings throughout the year.
