## The Chelsea Oasis

Situated in a peaceful corner of the Showground, away from the hustle and bustle, the Chelsea Oasis offers you the perfect location in which to host your guests at your leisure in a beautifully elegant space.

Whether you choose to book a whole pavilion or places for 2 people, the price per head for the package is the same. If you book for 40 guests (or 60 on Thursday evening) you will have a private pavilion with personalised signage. There is no minimum number required for a reservation within the Chelsea Club, the official shared hospitality facility located within the hospitality village. A private table will be guaranteed for 10 guests with smaller groups accommodated on shared tables.

## Private Pavilion All Week Club

Entertaining important clients and rewarding staff can be a delightful all-week event at Chelsea. We are pleased to offer the unique opportunity of enjoying your own private and exclusively branded space in the Chelsea Oasis from Tuesday through to Saturday. In this way, the Chelsea experience becomes all the more memorable for you and your guests. We should be happy to discuss your exact requirements for this unique experience and provide a quote.

## The President's Marquee

The President's Marquee is available during the Show week as an exclusive corporate venue for hospitality. Located independently from the Chelsea Oasis, the President's Marquee is ideal for clients who are looking for a more private feel. The branding possibilities are significant and, if desired, the Marquee can also be used as a seminar or presentation venue and the opening hours may be adjusted to suit individual needs. The Marquee accommodates 110 guests seated.

Please see a summary of all the packages offered on page 12 of this brochure.
